Town Manager Jason Nunemaker stated that the Town has received an opinion on the Special Assessment Fund (Water Tower Road) and that the funds can be used as surplus funds.

The CRA Board stated that they would discuss various usages for the funds at the next meeting. Commissioner Paul Garretson expressed that maybe something could be done for the businesses in Town to bring in people, i.e. auto show, night flea market, side walk sale, marine flea market, haunted street.

With no further business to come before the CRA, the meeting was adjourned at 7:37 PM.
